## Getting Started with School Start:

1. School Start will provide quote based on teachers' supply list requirements.
2. School confirms quote and makes revisions.
3. School works with School Start to finalize teachers' back to school supply lists. Teachers choose the brands.
4. School confirms which one of our shipping options they would like to utilize.
5. School Supply Lists go to parents in May or June.
6. Parents order and pay online, call our customer support centre, or email order form to School Start. (Regardless of how parents order, any payment is made directly to School Start).
7. Individual supply kits are carefully packaged in our School Start reusable green bags which are clearly labeled with the student's name and grade level. The supply kits are then boxed for easy distribution via Purolator to the parents' home or to the school.

“Everything looks Awesome!! Thank you so much for being so quick and helpful!”

Therese E., Administrative Assistant

“I would like to give my sincere thanks to the School Start team for their help in putting together the materials needed for 250 Kindergarten Orientation bags! As always, I appreciate the support from the School Start team.”

Shannon G., Principal

“Dear School Start,  
Thank you for your lovely message. I want you to know that I was so impressed by how your supported our 2 new students in need this September that I shared the story with our Assistant Superintendent. He took down your company name as he was so impressed, and wants our district to do more business with your company.”

Angela W., Administrative Assistant

“Just a quick note to say thank you. I contacted school start as one of my children did not yet receive their school supply package. When I called I couldn’t believe the awesome service, no questions asked and another package was sent right away!

Thank you for your quick response and for the amazing level of service, very much appreciated and this is why I continue to be such a fan of this program that you make available for busy families!!”
